

Temporary Care Exit Survey

Owner name:

Pet Name(s):

RTO Date:

When we apply for grants, we need to be able to tell them the good things that happen to people who utilize the Temporary Care Program. This allows us to keep the program going and gives us the ability to continue helping people who are in crisis. We believe people should be able to keep their pets so they can reunite once their crisis is resolved. We also need to prove to them that the program is worth the money they give us.

If you can please answer these questions with as much detail as possible; you would be giving back to the community and other people in need.

1. As a participant in our Temporary Care Program, please tell us what we could do better:
2. What led you to seek help from our Temporary Care Program?
3. How was your experience in our Temporary Care Program?
4. How was the program able to make a difference for you and your situation?
5. Are there any other details about your story or additional comments you would like to share with us?
6. Would you like to donate towards your pet's care cost while in the program? _____ If so, please speak with the TCP coordinator or the front desk staff for assistance.
