

Pet Recommendation Letter Example

To Whom It May Concern,

I have had the pleasure of knowing Bryn and Tinkerbelle for many years. I have dog sat Tinkerbelle numerous times and she is a very sweet, and well mannered dog. Bryn is a great pet owner as she is attentive, caring, and puts a lot of time into training and caring for her pets. When Bryn is not home to watch Tink, she has a Furbo camera in place to keep tabs on her. She will always hire a dog sitter if she needs to be away from home for long periods of time.

Tinkerbelle has a calm and endearing temperament; she is great at self-calming and keeping herself occupied with her plethora of toys. You can often find her moving from dog bed to dog bed, during her many naps of the day.

Bryn and Tink have lived in many apartments together, which makes it easier for Tink to adjust to new surroundings. She has a well-maintained potty schedule, and enough toys and mental enrichment to keep her occupied all day long!

If you have any other questions or concerns, please feel free to reach out. I know Bryn and Tinkerbelle would be a great addition to your community.

Thank you,
Friendly Neighbor
