

Temporary Care Program Extension Agreement

Lost Our Home Pet Rescue – Temporary Care Extension Agreement

This agreement is to acknowledge that I, _____, am being offered a one-time extension for my pet(s), _____ in Lost Our Home’s Temporary Care Program. During this time all other points of my temporary care contract are still in place.

I understand that if I do not reclaim my pet(s) on or before _____, my pet will be considered surrendered, and I will no longer have rights to my pet(s) and Lost Our Home will not pay me any form of compensation. Lost Our Home possesses the right to place my pet(s) up for adoption, transfer my pet(s) to another shelter/facility, or make other arrangements based on the discretion of the Lost Our Home staff. This date is concrete and will be the only extension that I will receive.

Lost Our Home staff will provide any new resources they have not yet given me, if any, to help. I have been advised that I should immediately work on finding a place for my pet to stay as a back-up in the event I can’t secure a place for me and my pet(s) to move into.
